# NSCDS Alumni Bulletin

## Fund Drives Can Be Fun!

"That is the best gimmick I have seen in years and forces me to respond . . .", "That yellow sheet really squeezed the stone; I enclose the drop it produces." "Clever, clever, clever. You really suckered me into it this time." "Thanks for the lovely chuckle!", "Such a mailing deserves a super response - I am overcome! Nostalgia (did I really look like that?) has its effect" "I hate to break a 50 year silence with the old school, but your kind and persuasive note will put the arm on me for fifty clams herewith!"

"Congratulations to whoever was responsible for looking up ancient history, even with photos! . . . After 50 odd years, I don't remember whether I started the girls' hockey team or not . . . I do want to say that my years at NSCDS had an enormous influence on my life and undoubtedly made possible my further education." "Your appeal with senior pix is super . . . I work hard on Wellesley Development Fund and am going to pass this on to them!" "This is a first for me, so you must be a good fund raiser!" "Fun to get your note - and that contribution approach is wild!" All sorts of such wonderful comments are coming with Alumni Fund Drive contributions this year!

Our current fund drive follows

through on a pilot program initiated last year for only a few classes. With the energy and dedication that only Jean Talley can produce, graduation pictures were photocopied from our file copies of **MIRRORS**, going all the way back to the first graduating class. A total of 38 Alumni living in this area volunteered their time and wrote personal notes to each of their classmates or friends from other classes, asking for their help. The results were immediate and rewarding.

As of the present date, we have heard from 270 Alums as against 202 all last year, and of these 270 over half did not give last year. Many had never given at all! We received many enthusiastic and warm letters with these contributions and it's too bad we can't share all of them with you.

In each of the two previous years we collected about \$6,000 from Alumni giving, but this year we have set our target at \$10,000. As of today, we have passed the \$9,000 mark, and we are optimistic that we can reach and maybe even surpass this goal. We therefore need your help - it's not too late to set a real record prior to the end of the school year. Keep those checks and letters coming! - Francis R. Stanton, Alumni Association President.

## Iolanthe is our G.&S. For '75

Every spring Country Day produces a Gilbert and Sullivan operetta with the kind of quality that puts it on a par with any produced in the area. The majority of the upper school participates in some way in this project which is now in its 51st year.

This year we are presenting "Iolanthe," March 14th and 15th, and it promises to be one of the best ever.

These productions are financed entirely from the ticket sales for the operetta. As I'm sure you are aware, prices have been going up over the past several years, and it is becoming increasingly difficult to maintain the high quality of our productions.

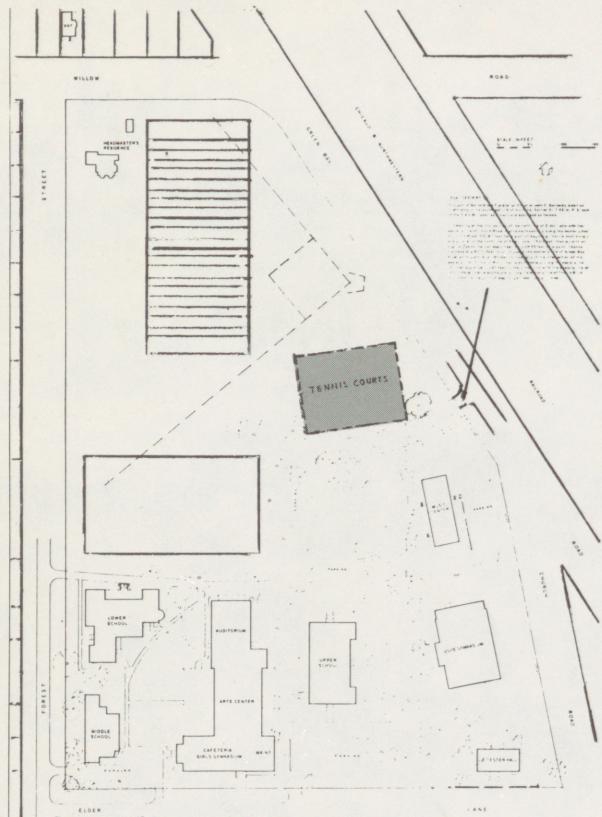

There are two ways you can help. The first (and most enjoyable) is by buying your tickets now and joining us on the 14th or 15th. You can reserve your seats by calling the school, 446-0674. Tickets are \$3.00 for adults and \$2.50 for students.

If you can't join us, or if you would like to help further, you can become an "Opera Patron." As a patron you will receive a patron card acknowledging your \$3.00 donation, and if you mail your check by March 3, your name will be placed on the Patron List in the program.

The opera staff has set a goal of 100 patrons and a sell-out crowd. Curtain is at 8:15 both nights, and we all hope to see you there. Douglas C. MacDonald

Cast members from the first Country Day production of Iolanthe in 1926. Come this year and compare!

## Tennis Comes To NSCDS 3 Courts To Be Built In Spring

The North Shore Country Day School is announcing the receipt of a special gift from an anonymous alumnus to build three tennis courts. The accompanying plan of the School campus shows the location of the courts, just north of the circle parking lot.

The courts will serve a real need for on-campus tennis facilities in the School's athletic program as well as contribute immensely to the comfort and convenience of team participation in tennis league play.

Construction will start as soon as weather permits, with the slight chance that the courts may be in use by late spring. The real value to the School and the community will be a lasting one over the years to come. We are all most grateful to our fellow alum for this gift.

## Admissions Office Plans and Actions

The Admissions Office, a busy place any time of year, is gearing up for its most active season. With 110 new students this year, plans call for an even larger enrollment next year.

A group of parents are hosting after-dinner meetings in their homes to give prospective parents an opportunity to meet the Headmaster informally and to discuss the school. Local alumni with friends who may want to attend as guests may phone the Admissions Office for details.

Our current scholarship program, designed to maintain our heterogeneous student body is in progress with two kinds of scholarships available; academic and community. The academic program is based on citizenship, academic and creative ability, without regard to financial expression. The community scholarships are awarded to outstanding students who qualify for financial assistance. There will be full and partial awards in both areas, for grades three through 10. The testing date and deadline is Saturday, March 15. If you know students who qualify, please encourage them to call the Admissions Office, 446-0674.

## Upcoming Campus Events

A film week sponsored by the Film Committee of The North Shore Country Day School, will be held March 17 - 21.

Two full length films will be shown during the school day and are to be shown for the public on the evenings of March 18 and March 19. "The Loneliness of the Long Distance Runner" is scheduled for 7:30 PM on the 18th with "400 Blows", a Francois Truffaut film, at 7:30 on the 19th. Both are free.

Girls in the Lower and Middle School will hold a gymnastics show Thursday, April 17 in the boys' gym. Beginning at 7:30 the girls will present uneven bars, work on beam, floor exercise, and vaulting. Donations to benefit GAPA will be accepted at the door.

The Eastman School Jazz Ensemble will present a program April 9th at 8:00 PM in our auditorium, one of the several events sponsored jointly by NSCDS and the Music Center.

## Plan Annual Smith Dinner

The third annual Perry Dunlap Smith Memorial Dinner-Lecture will be held May 6 at the Sheraton Blackstone Hotel in Chicago.

Sponsored by the College of Education at Roosevelt University in cooperation with The North Shore Country Day School, this series was established in honor of Mr. Smith who for 35 years was Headmaster at North Shore and who also taught at Roosevelt University. The speaker this year will be Philip W. Jackson of the University of Chicago. Speaking on "The Future of Teaching", Mr. Jackson is Dean of the Graduate School of Education, Chairman of the Department of Education and Director of the Laboratory Schools.

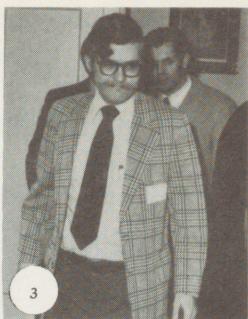

Tickets for the dinner-lecture are \$10.00 and are available by phoning Barbara D. Smith at Roosevelt University, 341-3701.

## CLASS NOTES

**Dr. Cheves Walling '33**, professor of chemistry at the University of Utah, has been named editor of the Journal of the American Chemical Society, the eighth editor of the journal begun in 1879. Dr. Walling is a member of the National Academy of Sciences and the American Academy of Arts and Sciences. He was awarded the James Flack Norris Award in Physical Organic Chemistry in 1971.

**Donald A. K. Brown '35**, lives in Southport, Conn. and says Connecticut living is the greatest. He is in executive recruitment (DAK Brown and Associates) in New York City. He and his wife have four daughters, Muff in Rhode Island, with one child, is in Med School; Barbara, an assistant professor at U. of Rhode Island and working on her Phd thesis; Kathy, married with two children, happily farming in northern Vermont; Diane, married in September and working on an R.N. degree in Denver; Sandy, 12 year old son, is at Fairfield Country Day School.

**Georgette Hill Burgess '37**, (Mrs. K. F., Jr.) and her husband enjoy living in Mequon, Wisconsin, in a condominium ranchhouse with a small yard. Their children are Kenneth III, in Houston; Hill, an architect with

Skidmore Owings in Chicago; and Georgiana, married and living in Tempe, Arizona, where her husband is a pilot.

**Babette Bird Lent '40**, (Mrs. Richard W.) and her husband live in New Paltz, N.Y. where they are avid sailors, own a marina-boathouse on Cape Cod and keep busy with law and organizations in New Paltz. Their two sons are Ryck, who will graduate from Antioch this year, and Chris who transferred from Hartwick, Oneonta, N.Y. to Maharishi International U. at Fairfield, Iowa, after two years on the Dean's List.

**Julia Adams Bartholomay, '41**, (Mrs. Henry III), author of *The Shield of Perseus, The Vision and Imagination of Howard Nemerov*, held a reunion with the poet in November when he read from his collections at Poetry Magazine's and the Modern Poetry Association's 20th Annual Poetry Day at the First Chicago Center.

**Anne Jeffris Miller '46**, (Mrs. Lynn H.) and her husband moved to St. Louis in October and are enthusiastic about a new job and new town.

**Joyce Glasser '55**, is directing a federally funded program in the Mundelein Elementary School District. She and her staff are creating a human growth and development in-service program for teachers and administrators.

**William E. Walling '57**, is a financial consultant for Banker's Trust in New York City. He is involved with fund raising and recruiting for Haverford College and is helping to organize a Junior Board for the N.Y. Philharmonic.

**Lucinda Kingery Lenhardt '60** (Mrs. Benjamin F. Jr.), was co-chairman of a recent Chicago Youth Centers benefit. A member of the Women's Board for two years, she is also involved with the Chicago Junior Board of Travelers Aid Society, Northwestern Memorial Hospital and the Hadley School for the Blind. She and her husband live in Winnetka and have two young boys.

**Riley John Morgan '60**, of Wilmette, was recently named a Bond Investment Officer at The Northern Trust Bank in Chicago. He serves in the Retail Sales Division. Before joining the bank in 1973 he was associated with the Chicago Bulls and Life Magazine in Chicago. He and his wife have two children.

**Nancy Hetenyi Palmer '61** (Mrs. John) is an artist working and showing in Washington, D.C. She did her undergraduate and graduate studies in art history at Stanford, and until three years ago was employed in teaching, university administration and magazine production. Her husband is an economist currently at HEW.
